

Spect Sheet - M-GT6W-CCT, M-GT12W-CCT

**Magnetic
Folding grille light series**

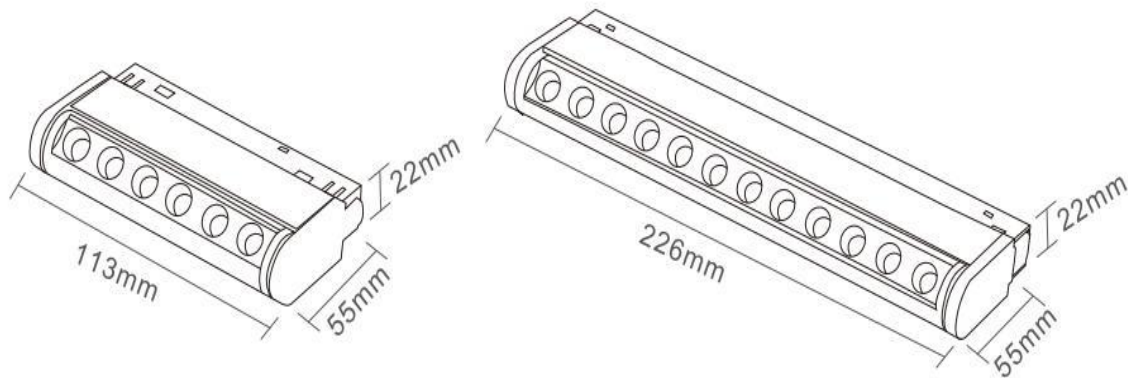

Specification

Dimensions

LED chip	OSRAM	6W	L113*W22*H55mm
Power	6W/12W	12W	L226*W22*H55mm
Color Temperture	3000K/4000K/6000K/2700-6500K		
CRI	Ra >90		
Light Efficiency	90 lm/W		
Fixture and Electrical Equipment			
Design Style	Modern		
Beam Angle	24° 36°		
Material	Aluminium		
Lamp-Chimney Material	Plastic		
IP Rate	IP20		
Input Voltage	48V		
Lifespan (hours)	40000H		
Color	Black/White		
Warranty(Year)	3-Year		

Quality Affordable LED Lighting Solutions

Attention:

This linear LED product must be installed using a suitable Pro LED Lighting or equivalent approved LED mounting profile/channel to ensure proper heat dissipation. Improper installation may significantly reduce the LED's lifespan, cause color changes, and void the warranty.

Although Pro LED Lighting has taken care to provide accurate information, it cannot accept liability for any errors. The company also reserves the right to change or remove product details without prior notice.
